12			36.33	80.90	28.69	8.93	5.16	0.19	4.61	20.94
TOTAL	476.41	543.38	4,104.52	6,781.99	9,486.24	4,514.36	4,636.03	2,640.03	3,490.52	2,992.71

Source of basic data: CLUPPI, DAR

Notes:

1. Conversion is from agricultural to other land uses
2. Summary does not reflect the actual hectares of lands converted to other uses due to unreported (illegal) conversions.
3. Land Use Conversion includes both the approved land use conversion application and approved conversion based on the DOJ Opinion
